Chanukah Fever for Kids

 Rate it! 4  1 

This is the perfect Chanukah gift for any child (babies to young children). Babies will love to listen to the rhythm and young children will love to sing along and dance to MAMA DONI's fun and funky lyrics. This CD features 10 new MAMA DONI originals, plus 4 favorites from last year's EP. It is so fun to listen to and puts an interesting twist on the traditional Jewish songs.
