[Music Week! Mama Doni: I LOVE HERRING \(& Other Fish Shticks for Kids\)](#)

It's time again to share with you some of my favourites of the tunes that have been filling the air around here of late. As always, if we don't like it you won't hear about it here. At least one of the reviews each day this week will be a music review, and all music giveaways that are part of this week will end at noon next Monday.

Mama Doni is the stage name for New Jersey-based Doni Zasloff Thomas, a super hip (& Jewish) mom of two young kids. While I've never been and never will be Jewish, I am fascinated by all thing Jewish and was just as fascinated while listening to her CD "*I LOVE HERRING (& Other Fish Shticks for Kids)*." Whether you're Jewish or not, there's no way you won't dig this CD. With tunes like *Funky Gold Menorah*, *Jewperheroes* & *Fahklemp*, it'll have your whole family bopping right along. If your children are Jewish they, in particular, would likely love learning about their religion & culture from such a hip & modern chick.

The [Chanukah EP](#) and [I LOVE HERRING](#) are both available at CD Baby.

Win it! To enter to win your own copy, leave a comment on this post before noon mst on

January 19, 2009.
